Letters Home

Age: 2-9 years

What’s needed
8 ½- by 11-inch sheets of paper
Envelopes
Postage stamps

What to do
1. Have children write a “letter” to mail home to their parents.
2. For the younger children, the letter may be a sheet of scribbles. Three- to 5-year-olds could draw a picture for their parents. Older children might write about their day, a favorite activity, or a funny story.
3. Mail the letter home.
4. Encourage parents to talk about the letter with their children.

What children will learn
Early writing activity
